Action Report on Student Feedback analysis 2022-2023

1. As students have stressed on Guidance by Faculty for Writing assignments and projects Samata College notified regarding the same and faculty are encouraged to provide guidelines and assistance regarding projects and assignments
2. As students have stressed on getting encouragement in extra and co circular activities faculty are encouraged to provide necessary guidance and motivation to the students.
3. As students are not completely satisfied with the equipment of the class room, management improved the facilities in the seminar hall to enable presentations.
