Policy Document

The Government of India formulated the national policy for persons with disabilities in February 2006 which deals with the educational rehabilitation of persons with disabilities, therefore because of this Samata Degree College has implemented these policies in the teaching and learning process. The Samata Degree College policy recognizes that persons with disabilities are a valuable human resource for the institution and seeks to create an environment that provides equal opportunities, protection of their rights, and full participation in the academic environment.

The focus of the policy is on the following:

1. To ensure that the design of the building such as ramp/ lift should be according to the disabled persons.
2. To ensure the accessible, gender-sensitive, safe, usable, and functional washroom facilities should be provided for disabled persons.
3. The use of signage of male and female symbols, following local customs and standards, with raised outlines and bright colour contrast, will be more evident to everyone and particularly helpful for persons with visual impairments.
4. Learners with disabilities need to be adequately and appropriately supported in and out of the classroom with the right resources and assistive technology, and with leadership, teaching staff, and college communities that are responsive to their needs.

Policy on Solid Waste Management

1. Introduction

The purpose of this policy document is to outline the guidelines and procedures for effective solid waste management within the premises of the college. This policy aims to promote waste reduction, recycling, and responsible waste disposal practices to ensure a clean and sustainable environment.

2. Objectives

The objectives of the solid waste management policy are as follows:

- a. Minimize the generation of solid waste through waste reduction and resource conservation measures.
- b. Promote recycling and reuse of materials wherever feasible.
- c. Ensure proper segregation and collection of waste to facilitate efficient waste management.
- d. Implement appropriate treatment and disposal methods for non-recyclable waste.
- e. Educate and raise awareness among staff, students, and other stakeholders about the importance of responsible waste management practices.
- f. Comply with relevant environmental regulations and legislation.

3. Responsibilities

a. College Administration:

- i. Develop and implement a comprehensive solid waste management plan.
- ii. Allocate necessary resources, including personnel equipment, and facilities, to facilitate waste management activities.
- iii. Conduct periodic reviews and audits to assess the effectiveness of waste management practices.

b. Faculty and Staff:

- i. Promote waste reduction practices and encourage the use of environment-friendly materials.
- ii. Ensure proper segregation of waste at the source and facilitate recycling initiatives.
- iii. Cooperate with the waste management team and support waste management awareness programs.

c. Students:

- i. Follow waste segregation guidelines and participate actively in recycling programs.
- ii. Encourage fellow students to adopt responsible waste management practices.
- iii. Report any concerns or suggestions related to waste management to the designated authorities.

d. Waste Management Team:

- i. Ensure the proper collection, segregation, and disposal of waste in designated bins.
- ii. Coordinate recycling efforts, including collection, sorting, and transportation of recyclable materials.
- iii. Monitor waste management processes and implement necessary improvements.
- iv. Conduct training sessions and workshops to educate the college community about waste management practices.

4. Waste Segregation

a. All waste generated within the college must be segregated into the following categories:

- i. Paper and cardboard.
- ii. Plastics.
- iii. Glass.
- iv. Metals.
- v. Organic waste.
- vi. Hazardous waste.

b. Clearly labelled waste bins should be placed strategically throughout the college premises to facilitate waste segregation.

5. Recycling

- a. Promote and facilitate recycling initiatives for different waste categories.
- b. Establish partnerships with authorized recycling agencies or organizations to ensure proper handling and disposal of recyclable materials.
- c. Provide recycling bins in easily accessible areas and educate the college community about the importance of using these bins correctly.

6. Waste Disposal

- a. Non-recyclable waste should be disposed of in accordance with local regulations and guidelines.
- b. Encourage the use of eco-friendly disposal methods, such as waste-to-energy or composting for organic waste where feasible.
- c. Establish collaborations with waste management service providers to ensure proper collection and disposal of non-recyclable waste.

7. Awareness and Education

- a. Conduct regular awareness campaigns, seminars, and workshops to educate staff, students, and other stakeholders about solid waste management practices.
- b. Distribute informational materials, such as brochures and posters, highlighting waste reduction, recycling, and proper waste disposal methods.
- c. Utilize digital platforms and college communication channels to promote waste management awareness.

8. Monitoring and Reporting

- a. Establish a waste management monitoring system to track the progress of waste reduction, recycling, and disposal initiatives.
- b. Conduct regular waste audits to assess the effectiveness of the waste management program.
- c. Prepare periodic reports on waste management performance and share the findings with relevant stakeholders.

9. Review and Update

This policy document should be periodically reviewed and updated to incorporate new waste management practices, technologies, and regulatory changes.

Policy on E-Waste Management

Introduction

Samata Degree College recognizes the growing environmental concern regarding electronic waste (e-waste) and acknowledges its responsibility to adopt sustainable practices. This policy aims to establish guidelines and procedures for the effective management of e-waste within the college premises, with the goal of minimizing its environmental impact and promoting responsible disposal practices.

1. Objectives

The objectives of this policy are as follows:

- a. Minimize the generation of e-waste through sustainable procurement and usage of electronic equipment.
- b. Promote the reuse, refurbishment, and recycling of electronic devices to extend their lifecycle and reduce waste.
- c. Ensure the safe and environmental-friendly disposal of e-waste that cannot be reused or recycled.
- d. Create awareness and educate the college community about the importance of e-waste management and responsible disposal practices.
- e. Comply with all applicable laws and regulations related to e-waste management.

2. Responsibilities

a. College Administration:

- i. Establish an E-Waste Management Committee consisting of representatives from various departments to oversee the implementation of this policy.
- ii. Allocate necessary resources, including funds and infrastructure, to facilitate proper e-waste management.
- iii. Regularly review and update the policy to ensure its effectiveness and compliance with changing regulations.

b. Faculty and Staff:

- i. Procure electronic equipment considering their environmental impact and disposal options at the end of their lifecycle.

ii. Provide assistance to the E-Waste Management Committee in implementing awareness programs and training sessions.

c. Students:

- i. Utilize electronic devices responsibly and maintain them to extend their useful life.
- ii. Participate in e-waste collection drives and follow the designated disposal procedures.
- iii. Promote awareness of e-waste management among peers and encourage responsible practices.

3. Procurement Guidelines

- a. Give preference to electronic equipment with eco-label certifications and energy-efficient ratings.
- b. Consider the availability of recycling and take-back programs offered by manufacturers or suppliers during procurement decisions.
- c. Prioritize the purchase of devices that are easily upgradeable, repairable, and have a longer lifespan.

4. E-Waste Collection and Storage

- a. Designate specific collection points within the college premises for the segregation and storage of e-waste.
- b. Clearly label and educate the college community about the designated collection points.
- c. Ensure the collection points are secure, well-maintained, and comply with health and safety standards.

5. Reuse, Refurbishment, and Recycling

- a. Establish partnerships with authorized e-waste recycling agencies or organizations for the proper disposal of e-waste.
- b. Explore opportunities for refurbishment and reuse of functional electronic devices within the college or through donation to charitable organizations.
- c. Regularly assess the effectiveness of recycling programs and make improvements as necessary.

6. Awareness and Training Programs

- Conduct regular awareness campaigns, workshops, and training sessions for the college community to promote responsible e-waste management practices.
- Provide information on the environmental impact of e-waste and the importance of proper disposal methods.
- Encourage research and projects related to e-waste management among students and faculty.

7. Compliance and Reporting

- Comply with all applicable laws, regulations, and guidelines related to e-waste management.
- Maintain records of e-waste generated, reused, refurbished, and recycled.
- Submit periodic reports to the E-Waste Management Committee, including progress updates, challenges faced, and recommendations for improvement.

8. Review and Revision

This policy will be reviewed periodically by the E-Waste Management Committee to assess its effectiveness, make necessary revisions, and ensure alignment with evolving best practices and regulations.

By adhering to this policy, Baba Institute of Technology & Sciences is committed to promoting sustainable practices, raising awareness, and minimizing the environmental impact of e-waste. Together, we can contribute to a cleaner and healthier environment.
